A large, stylized green pennant graphic is the central focus. It has a white outline and a white shadow effect, giving it a three-dimensional appearance. The pennant is tilted and contains the text "Odell Milestones" in a white, serif font. The word "Odell" is on the top line and "Milestones" is on the bottom line, both centered within the pennant's shape.

THE ODELL MILESTONES
OF
1963

Presented by
The Senior Class
Of
W. R. ODELL HIGH SCHOOL
Concord, North Carolina

DEDICATION

Just an average student is not an A student. So is the average teacher not an A teacher. Only a few teachers can we students honestly designate as exceptional teachers. They gain this distinction by qualifications of fairness, friendliness, sympathy, and a genuine concern for students.

For devotion to their profession beyond its actual demand, a disinclination to shirk responsibility, a thorough grasp of subject matter, and an interesting and vital manner of presenting it, a way of making us as students realize the importance of learning. For being truly "professional minded" and "student minded." These are the teachers who demand both respect and love.

One teacher whom the senior class believes to possess these qualities in the highest degree is a person we consider an A+ teacher and an A+ human being.

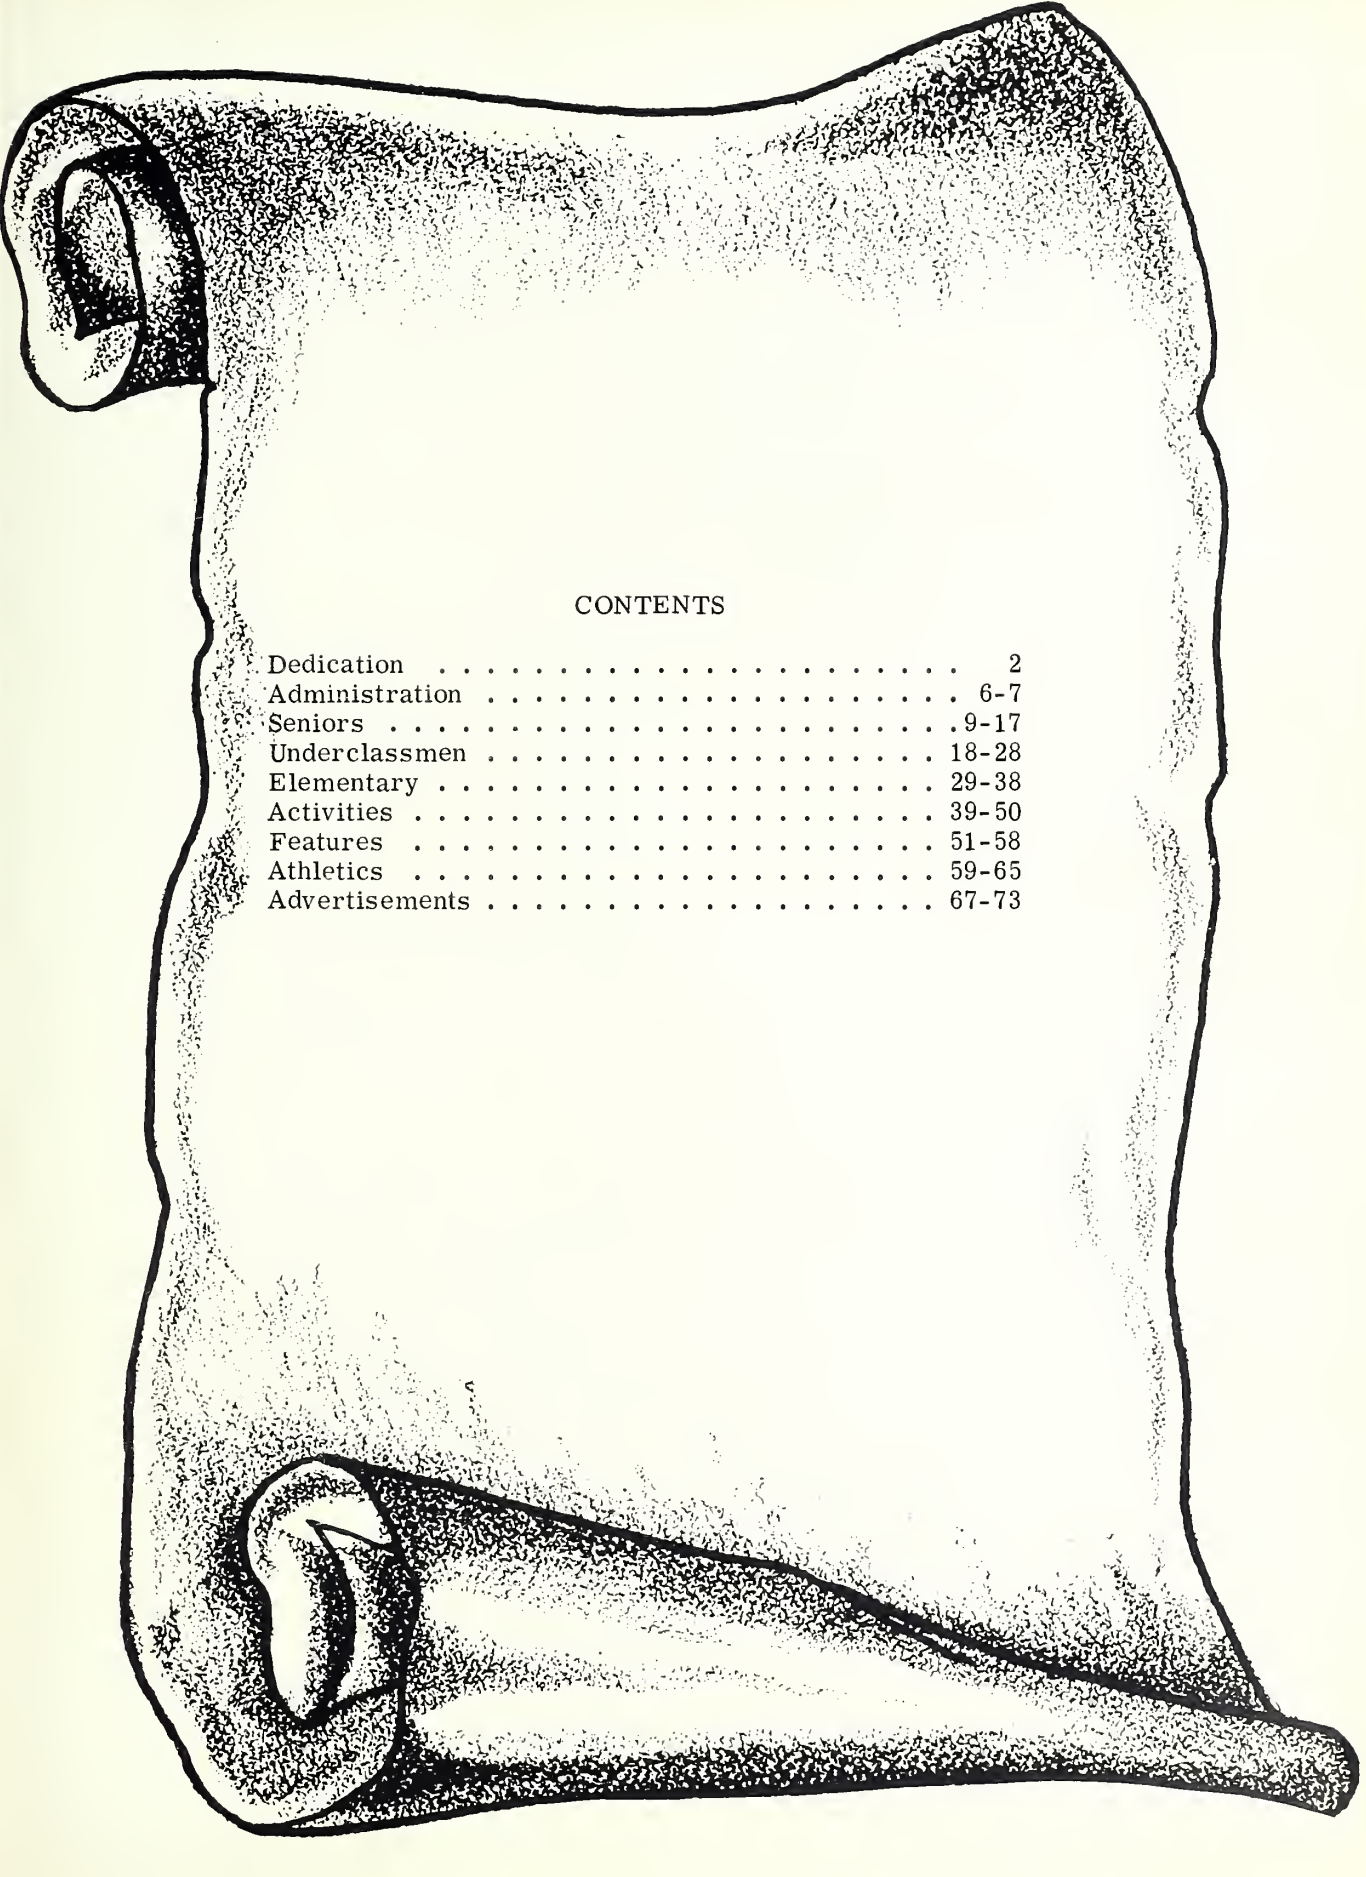

With gratitude and affection, we, the senior class of 1963 dedicate our yearbook to MRS. JANET GOLDIERE.

TRIBUTE

The senior class of 1963 would like to pay tribute to MRS. HANSEL HARRY for her expert guidance and love during our grammar grade years.

We, the seniors, were the first class to have the privilege of learning under her at O.H.S. Her undying love and inspirational understanding will always be present in our minds.

WITHIN

THIS

BOOK

This is a record of our last secure years. A record of the years when care rested lightly on our shoulders and of a time when decisions were made for us by our parents and our teachers. Soon we shall be responsible for our own decisions and it is our hope that the way we make them will help to make succeeding years more secure for those who follow us at O. H. S.

In years to come, years that will show miracles beyond our wildest dreams, we shall look "Within This Book" and relive the years when life was simple and lived on one small sphere. Whatever the future may bring, we shall always cherish our days at Odell and leave this printed record as proof to those who come after us.

CLASS POEM
 by
 Janis Hutchins

We have met one challenge - there will be more
 ahead.
 "Can we succeed?" we have asked. "Yes," others
 have said.

Perhaps we are curious of whatever might be;
 We probably doubt what we cannot see.

Still we must construct our lives to meet the
 demand
 Of an uncertain world which WE'LL one day
 command.

Fun and good times have passed our way.
 Mature we now stand to meet the day.

What pleasures and tears we all can recall!
 Sometimes we faltered; sometimes we'd fall!

CLASS MOTTO

So nigh is grandeur to our dust,
 So near is God to man;
 When Duty whispers low, "Thou must,"
 The Youth replies, "I can."

Our friends and classmates have been a great
 part
 Of that which we hold so dear to our hearts.

Teachers and principals - what wonderful guides
 They have showed us the way by staying at our
 sides.

Though the paths of friends must sometimes
 split,
 Their influence has brought a pathway lit!

We'll never forget all the precious weeks
 Which cause emotion so that we cannot
 speak.

Farewell to all we have loved and known;
 We shall not fail you - now, we are grown!
